# Let's Do Some Action Planning

It's good to have some goals but without a plan to implement them you won't get too far. Successful action planning comes from deliberate planning and action steps. Consider the following as a guideline for your action planning process.

- 1. Analyze Needs & Assemble the Resources to Achieve Your Plan
- 2. Set Specific and Attainable Goals
- 3. Set Specific Objectives with Detailed Units of Measurement
- 4. Utilize Deadlines to Stay on Track

5. Set Responsibilities for Others and Take Responsibility Yourself 6. Take Action (Just Do It!)

- 7. Evaluate Your Progress (Both Successes and Failures)
- 8. Make Corrections as Needed
- 9. Continue or Cancel and Put Your Energy Somewhere Else

Critical Goal:							
	Objective	Needs	Resources	Deadline	By Whom		
1.							
2.							
3.							
4.							
5.
